

SYRACUSE PULP & PAPER FOUNDATION
Paper Science Minor Award
SUNY College of Environmental Science and Forestry
Department of Chemical Engineering
Adopted June 30, 2022

The Syracuse Pulp and Paper Foundation, Inc. (**SPPF**) offers grants (the "**Grants**") to undergraduate students enrolled in the Paper Science Minor in the Department of Chemical Engineering at SUNY College of Environmental Science and Forestry ("**SUNY ESF**"). The total award is \$5,000. The Grants are available to eligible undergraduate students by application based on the below eligibility requirements. Interested students should submit an SPPF application by email to deb@sppf-esf.org, including (1) an SPPF application certifying the student's eligibility; (2) a current resume; and (3) a current undergraduate transcript (unofficial is fine).

1. Enrollment in a B.S. degree program and the Paper Science minor in the Department of Chemical Engineering at SUNY ESF;
2. Current cumulative grade point average (**GPA**) of 2.5 on a 4.0 scale;
3. Successful completion of the B.S. degree and Paper Science minor in the Department of Chemical Engineering at SUNY ESF, as defined by the list of students enrolled in the Paper Science minor provided by the SUNY ESF Director of Financial Aid, including credit hours completed, cumulative GPA and country of origin; and
4. Must be a U.S. citizen and permanent resident as determined by the SUNY ESF Director of Business Affairs.

The Grants will be awarded to eligible students on the basis of the student's academic and professional achievement based on the submitted resume and transcript. All Grants will be paid by check to the student-grantee **after graduation upon submission by the student-grantee to SPPF of:** (1) a final, official undergraduate transcript showing (a) successful completion of the Paper Science minor with a minimum cumulative GPA of 2.5 on a 4.0 scale, and (b) the student-grantee's date of graduation; and (2) a letter from the student-grantee's supervisor certifying the student-grantee has been employed in the paper industry or related industries for at least ninety (90) days.

Please note that the Grant program may be changed per the recommendation of SPPF's Scholarship Committee and SPPF Board of Directors. Awards may vary per semester based on available resources.

APPENDIX A

In order to satisfy the requirements of the Paper Science Minor in the Department of Chemical Engineering at SUNY ESF, a student must successfully complete eighteen (18) credit hours from the following classes:

1. PSE 200 - Introduction to Papermaking (3)
2. PSE 202 - Pulp and Paper Laboratory Skills (1)
3. PSE 370 - Principles of Mass and Energy Balance (3)
4. PSE 350 - Fiber Processing (3)
5. PSE 437 - Troubleshooting and Maintenance (3)
6. PSE 465 - Paper Properties (4)
7. PSE 466 - Paper Coating and Converting (2)
8. PSE 467 - Papermaking Wet End Chemistry (3)
9. PSE 468 - Papermaking Processes (6)
